Traditional Chinese Martial Arts Federation

Fellow Chinese Martial Arts Enthusiasts and Friends,

The Traditional Chinese Martial Arts Federation (TCMAF) is pleased to announce the continuation of the Golden Dragon Championships. The 2026 tournament promises to carry forward the traditions of past Golden Dragon Championships and Tempt One Championships.

Consistent with past practice, the Golden Dragon Championships 2026 and its partner, the Chinese Chamber of Commerce, will direct the fundraising efforts to assist patients and families afflicted by the horrible disease known as ALS. The competitor's fees, spectator fees, concession sales, personal donations and corporate sponsorships will be used to assist patients with the cost of physical therapy, caregiver costs and purchase of nutritional supplements.

The mission of the TCMAF is to preserve and promote the values of the arts we treasure. This tournament is one of the tangible vehicles that will help reach these goals. We encourage enthusiasts of all ages, gender and experience levels to join us on November 7th and November 8th, to share your skills and meet friends, both old and new.

Lastly, TCMAF and the tournament organizing committee extends its heartfelt thank you to all the volunteers, competitors, parents and donors. This tournament would not succeed without your support.

Sincerely,

Fenton Fong Eng
Tournament Director
